Ambassadors as at 19th March 2020

To demonstrate the wonderful community spirit and goodwill of local businesses and individual residents in the Upper Blue Mountains, the Blackheath Golf & Community Club has linked with many businesses and individuals who are now Ambassadors of the Club.

Our Corporate Ambassadors can be recognised by a window sticker or reception desk plaque publicising their BG&CC Ambassadorial support to the local community. BG&CC members are encouraged to do business wherever they see the BG&CC Ambassador window sticker or reception desk plaque.
